description

Would you help Joy face her fears? Follow her into the magic sheet with Bigteeth Bunny and try to drive the monsters away. If you can't, close the book and focus: make them disappear... for real!

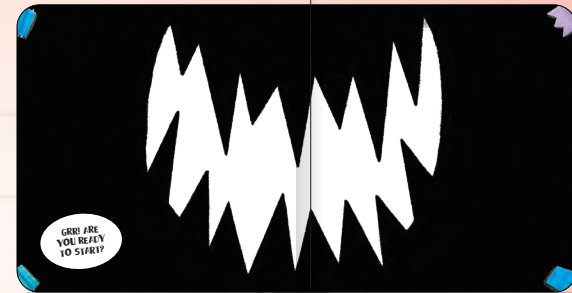

WHAT MAGIC!

Flipping the book forward all the pages turn blank...

Flipping the book backwards, all the pages turn black...

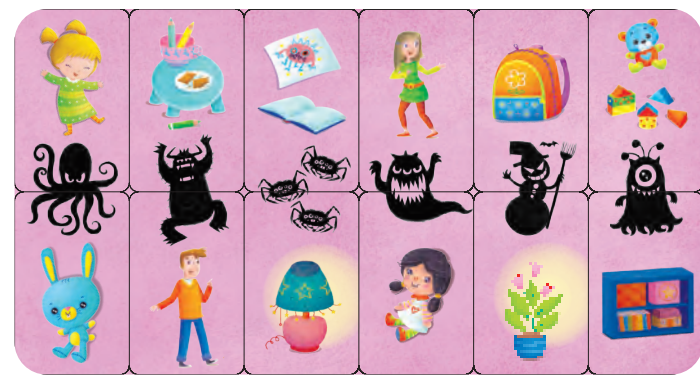

...and 2 play cards desks with 4 games!

First game: PUZZLE

Have fun trying to piece the puzzle that shows the main scene with Mom and Dad leaving Joy alone in bed, unaware of what it's going to happen in the magic sheet!

Game 2: PUZZLE

The second puzzle is dedicated to the scene in which all the black defeated monsters are back again in Joy's bedroom and threaten her while she's sleeping peacefully.

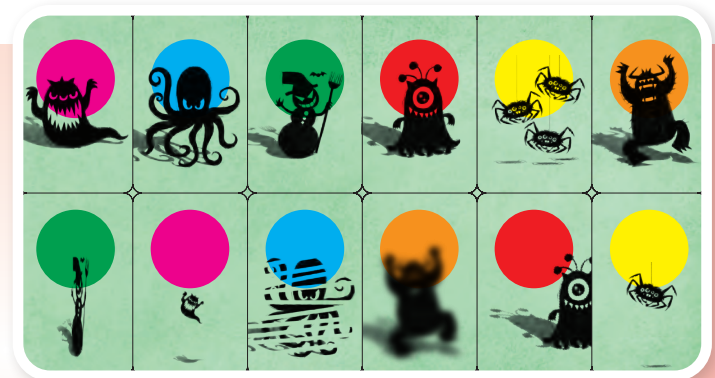

Game 3: find the right half!

This game's goal is to find all the right halves and then to be inspired by the illustrations, based on the book's characters and objects, to invent brand new stories.

Game 4: match problems&soluzioni!

Each monster represents a specific fear and each fear has an efficient way to fight it. Have fun pairing the monsters with the related "solutions".
